Dear Authors,

Congratulations! On behalf of the ICDIS-2021 program committee and technical committee, we are very pleased to inform you that your paper has been accepted as a REGULAR paper for presentation at the ICDIS-2023 and for inclusion in the conference proceedings to be published in Springer Book Series on Lecture Notes in Networks and Systems": The books of this series are submitted to ISI Proceedings, SCOPUS, Google Scholar and SpringerLink.

This email provides you with all the information you require to revise and complete your paper as per the reviews given below in this mail and submit it for inclusion in the proceedings.

Here are the steps you have to follow in re-submitting the final version of your paper:

1. Please see the Springer's FORMATTING REQUIREMENTS at download section of <http://icdis.ssedconferences.com/> STRICTLY follow the requirements and REVIEWERS' COMMENTS for your paper, which are intended to help you to improve your paper before the final publication. The listed comments should be addressed carefully in your revision, as this acceptance is conditional on your appropriate responses to the formatting requirements and reviewers' comments in your revision. It is mandatory for all authors to incorporate all the changes suggested by reviewers else their paper will be excluded from conference proceedings.
2. Each paper must not less 10 pages including figures and references. Papers beyond TEN (10) pages are subject to page surcharges. All papers must be re-submitted even if the reviewers indicated that no change is required.
3. In order for your paper to be published in the ICDIS-2023 conference proceedings, a signed Springer Copyright-Form (Consent to Publish) must be simultaneously submitted for each your accepted paper. (Refer Quick Links section at <http://icdis.ssedconferences.com> (Available soon)
